In order to rectify problems and resolve issues without the use of censure or impeachment, the CNSA empowers the BMC to attempt to resolve grievances and disciplinary matters with the following procedures:

Step One (Informal Resolution)

A CNSA member, Director, or Committee Chair who has a grievance against a Director or Committee Chair shall orally address the problem to the President or, where the matter concerns the President, the Vice President shall act in a coordinating role. Canadian Nursing Students' Association Association des étudiant(e)s infirmier(ère)s du Canada

grievance. This step shall be waived where the individual's actions unreasonably jeopardize the operations of the CNSA or are known to be illegal in nature. In such cases, the President or designate will proceed to Step Two or Step Three and inform the BMC immediately.

Step Two (Formal Resolution)

The investigator shall initiate the formal resolution process when a CNSA member, a Director, or a Committee Chair submits a grievance which has been addressed in accordance with Step One in writing to the President or designate or where a Director's or Committee Chair's actions unreasonably jeopardize the operations of the CNSA or are known to be illegal in nature. A written complaint shall be signed, dated and specific CNSA policy or procedure in dispute shall be clearly referenced. The President or designate will conduct a full investigation and bring forward all information to the next meeting of the BMC. The BMC or its designate may meet with the Director or Committee Chair who is the subject of a complaint to discuss the Director's or Committee Chair's actions or request a written response. The BMC shall then review all documentation and recommend a course of action. The actions(s) to be taken against the Director or Committee Chair, if any, shall be communicated by the BMC or its designate to the Director or Committee Chair within five (5) working days of the meeting, highlighting the problem and mandating appropriate action. The DOC shall place the written record from Step Two and Step Three in the Director's or Committee Chair's personal file.

Step Three

Within five working days following the written decision of the BMC, the complainant or the BMC may submit a letter to the President or designate requesting a review of the decision by the BMC and shall be placed on the agenda of the next BMC meeting. The BMC may consider a variety of disciplinary measures to address the problem with Director or Committee Chair, including oral or written warning, censure, impeachment, and those measures contained within the mandate of the BMC. In cases where a recommendation for impeachment is a consideration, the BMC shall consult legal counsel in relation to the role of a Director or Committee Chair in a not-for-profit corporation. The severity and immediacy of the action taken by the CNSA against a Director or Committee Chair shall be proportionate to the problem encountered. Except in cases involving such issues as theft, willful misconduct, illegal acts, or other severe behaviors, a progressive disciplinary approach to resolving Director or Committee Chair problems shall be taken. The Director or Committee Chair shall receive a copy of any formal disciplinary notice to be placed in the Director's or Committee Chair's personal file.
