Dear CNSA Supporter,

The University of Alberta is proud to be hosting the Canadian Nursing Students' Association (CNSA) 2024 Annual National Conference. Taking place in Edmonton, Alberta from January 17th - 20th, the upcoming conference will be exploring the diverse areas of practice within the nursing profession. The theme of this year's conference is *Nursing Without Limits: Exploring the Endless Opportunities*.

On behalf of the National Conference Planning Committee, it is our honour to invite your organization to become a sponsor of this dynamic and educational event. We have developed six levels of sponsorship, as outlined in the enclosed package. Your generous sponsorship will not only allow us to attract high level keynote speakers but will aid in keeping registration fees low, so we may increase accessibility to all nursing students.

For the 2024 National Conference, we are expecting nursing students and professionals from across the country to gather in Edmonton to experience this educational opportunity and carry it into their future practice as healthcare professionals. As a sponsor or exhibitor, you will be given an excellent opportunity to showcase your products and services to a national audience and interact with the attendees.

For more information about this sponsorship or exhibitor opportunity, please do not hesitate to contact the National Conference Planning Committee, we are available to answer any questions you may have. We look forward to welcoming you and your organization to this exciting event. We believe that students are the leaders of tomorrow, and your support will help students meet their future potential and increase their ability to be major influencers of the healthcare system.

Sincerely,

Eyasu Yakob CNSA President president@cnsa.ca Bill Zheng

2024 National Conference

Over 250 nursing students and professionals from across the country will be gathering in person for the first time in four years, as the University of Alberta hosts the 2024 Canadian Nursing Students' Association (CNSA) National Conference.

From January 17th-20th, attendees will have the opportunity to develop nursing knowledge and leadership skills by participating in various educational speaker sessions and workshops. The National Conference will showcase nurses who practice in a wide range of specialties at the bedside, as well as nurses who work outside clinical settings in the areas of research, education, policymaking, and more! This is also an amazing opportunity for students to learn about how organizations such as the CNSA function before they enter into the workforce and become involved with their nursing unions and associations. We are very excited to return to an in-person conference after multiple years of virtual experiences, and thank you for considering joining us!

- 3. Receive benefits only offered to sponsors: Your logos could appear on materials distributed to conference attendees and on the CNSA website.
- 4. Enjoy a unique opportunity to interact with current and future nurses: Over the course of the conference, you will get many opportunities to network with future nursing professionals and nurses, while promoting your services and products.
